Cameron Shew, Senior Engineer, SacDOT, (916) 875-5940, ShewC@saccounty.gov

See attached staff report and presentation materials.

Estimated time: 20 min

6:02 p.m.

- Committee member noted low traffic volumes might not necessitate lane increase, presenter said that projections show significant volume increases
- Committee members feel that painted buffer not adequate protection for bicyclists, prefers bikeway being buffered by physical barrier like a planter, concrete desirable over flexible options, presenter noted this potentially creates a conflict with disability advisory committee
- Preferred alternative planned delivery for fall, committee desires additional presentation in 6 months

The meeting facilities are accessible to persons with disabilities. Requests for documents in accessible formats, interpreting services, assistive listening devices, or other accommodations should be made through the County Disability Compliance Office at (916) 874-7642 or (916) 874-7647 (TTY/TDD), no later than five working days prior to the meeting.
