Fair Oaks Boulevard Improvement Project— Landis Avenue to Shirley Avenue

The Sacramento
County Department of
Transportation

Mission

Our mission is to continuously improve, operate, and maintain a safe and efficient transportation system that serves our citizens and commerce.

SEPTEMBER 2015

Fair Oaks Boulevard Improvement Project Coming Soon!

Construction will begin shortly on the Fair Oaks Boulevard Improvement Project—Landis Avenue to Shirley Avenue. Planned improvements include:

- Provide bicycle lanes, landscape median, and sidewalk, including separated sidewalk with landscaping along Fair Oaks Boulevard from Landis Avenue to Shirley Avenue.
- Modification to the existing signals at the intersections of Fair Oaks Boulevard/Grant Avenue and Fair Oaks Boulevard/Engle Road.
- A new traffic signal at the intersection of Fair Oaks Boulevard and Landis Avenue.
- Installation of sidewalk on the south side of Grant Avenue adjacent to Carmichael Park.
- Replacement of overhead utilities with underground facilities on Fair Oaks Boulevard within the project limits.
- Install new signal interconnect to provide traffic congestion relief.

Project Update

Sacramento County is moving forward with the award of a construction contract to Teichert & Sons, Inc. Construction is scheduled to begin in October 2015, with completion anticipated in December 2016. The total construction cost is \$6,491,747.

During construction, one through lane in each direction will be maintained at all times and two through lanes in each direction will be maintained during the morning and evening rush hours. Night work is anticipated and advisory signage will be placed 10 days in advance of any night work. Access will be maintained to all residences and businesses during construction. Pedestrian and bicycle access will also be maintained.

Existing Condition: Four lane roadway with a two way left turn lane and no bike lanes.

Similar Future/Proposed Condition: Four lane roadway with bike lanes and landscaped median.
