

Fair Oaks Boulevard Complete Streets Project  
(Howe Avenue to Munroe Street)

The Sacramento County Department of Transportation (SACDOT) is planning an improvement project on Fair Oaks Boulevard (Howe Avenue to Munroe Street) to create a “complete street” that will benefit people walking, biking, driving and using public transit.

Attend the  
3<sup>rd</sup> Open House  
Meeting:

Thursday, September 15<sup>th</sup>

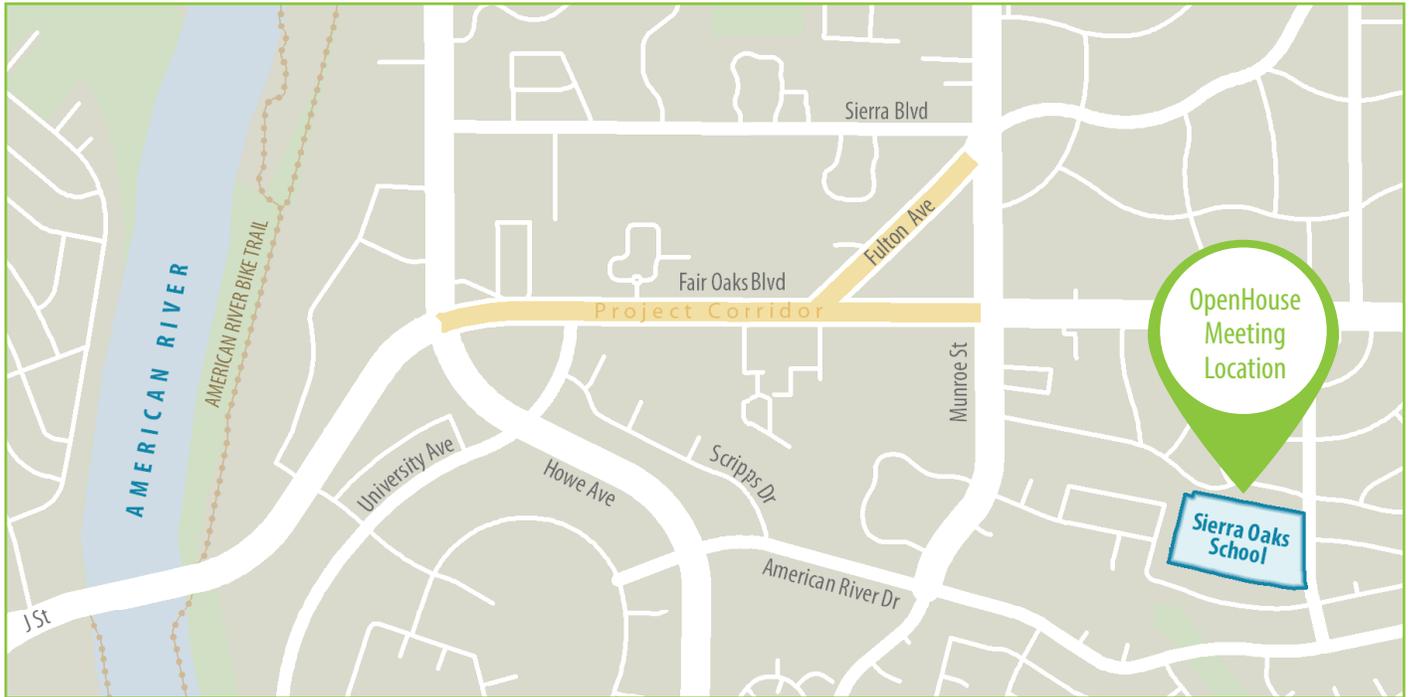

5:30 – 7:00 p.m.

Brief Presentation at 6:00 p.m.

Sierra Oaks K-8 School

171 Mills Rd., Sacramento, CA 95864

## Fair Oaks Boulevard Complete Streets Project

(Howe Avenue to Munroe Street)

The Fair Oaks Boulevard Bicycle and Pedestrian Complete Streets Project will enhance Fair Oaks Boulevard to develop a multi-modal corridor that creates a sense of place and a center of activity.

### Attend the 3<sup>rd</sup> Open House Meeting:

**Thursday, September 15<sup>th</sup>**

5:30 – 7:00 p.m.

Brief Presentation at 6:00 p.m.

Sierra Oaks K-8 School

171 Mills Road

Sacramento, CA 95864

With the aid and input of the community, this project will develop a **multi-modal streetscape master plan and construct two signalized pedestrian crossings on Fair Oaks Boulevard.**

Join us on Thursday, September 15th to preview concepts for the boulevard and give your input on how to improve walking, biking, driving, and public transit on Fair Oaks Boulevard.
